Your **abstract** can be submitted in ENGLISH or in FRENCH.

Two online abstract submission systems are at your disposal ; one in each language.

Your abstract (without the title and the list of authors) must not exceed 2900 characters, spaces excluded (about 500 words).

**Texts** should include, as often as possible, a short introduction on the current status of knowledge, aim, methods, results, discussion and conclusion.

A table and graph or an image can be also inserted in your text.

In order to avoid problems of incompatibility, we ask you to prepare your text with the **Times New Roman** font.

Then, you will have to copy and paste the text (without the title and the list of authors) in the indicated field.

Title and author's names will have to be typed out in separate fields as well as bibliographical references (5 maximum) which will not be counted in the 500 words' quota.

You will have 72 hours to modify your abstract. Past this delay, we kindly ask you to send an e-mail to:

[vmattuizzi@europa-organisation.com](mailto:vmattuizzi@europa-organisation.com)

Information will be sent only to the « contact » to the e-mail address registered as login.
